**Introducing and Understanding the
Cambridge Young Learners English Tests (YLE)**

Sa., 21.07.2012, 13:00 - 18:00 Uhr
Leinfelden-Echterdingen
Referentin: Mairi Sinclair
25,00 €

The seminar aims to introduce the Cambridge Young Learners English tests (YLE) to school directors, course planers, teacher trainers and teachers. The YLE suite is specially designed to appeal to young learners aged 7-12, and consists of three different tests: Starters, Movers and Flyers.

The session will provide a sound overview of the content of the tests and how they are assessed, along with classroom preparation tips and ideas on how to adapt any course books used for exam practice. Children who have successfully taken the tests throughout Germany and the world really enjoy them, so come along and gain an insight into this very attractive, fun and professionally designed set of tests and discuss the benefits of using them in your school or institution. You will also receive a Handbook and Sample Papers to take away with you.

Mit freundlicher Unterstützung durch Cambridge ESOL Examinations.
